Conferences Presentations

- Poster presentation at The National Conference on Leishmaniosis, 2022, Isfahan, Iran.
- Poster presentation at The 24th National and 10th International Annual Research and Technology Congress of Iranian Medical Sciences Students, 2023, Tehran, Iran.
- Virtual poster presentation at The European Academy of Dermatology and Venerology Congress, 2023, Berlin, Germany.
- Poster presentation at The 25th National and 11th International Annual Research and Technology Congress of Iranian Medical Sciences Students, 2024, Urmia, Iran.

Teaching Experiences

- Poster Presentation lecture in the Isfahan Research Accelerator Program 2023 (IRAP 2023), 2023, Isfahan, Iran.
- Types of Variables lecture in the Research method and proposal writing Workshop, 2023, Isfahan, Iran.

Additional Activities

- Peer review for the Tropical Medicine and Health journal, May 2022.
- Internal referee of Student Research Committee of Isfahan University of Medical Sciences, 2023, Isfahan, Iran.
- Online reviewer of The 1st Research and Technology Congress of Medical Science Students in 7th Region of Iran, 2024, Isfahan, Iran.
- Online reviewer of The 25th National and 11th International Annual Research and Technology Congress of Iranian Medical Sciences Students, 2024, Urmia, Iran.
- Peer review for the International Journal of Dermatology, February 2024.
- Peer review for the Academia Medicine journal, November 2024.
- Peer review for the Global Pediatric Health journal, January 2025.
- Peer review for the Diabetes, Obesity and Metabolism, October 2025.

Volunteer Activities

- National Blood Pressure Campaign, Standing Committee on Public Health (SCOPH), Isfahan Medical Students' Association (IMSA), 2019, Isfahan, Iran.
- Public COVID-19 Vaccination program, 2021, Isfahan, Iran.

Languages and Skills

- Speaking German and English
- Scientific writing
- Scientific article review
- Adobe Illustrator
